Mission Statement

St. Frances Cabrini Church is a Roman Catholic parish community with ethnic diversity. Our central focus is the Eucharist from which all aspects of parish life emanate. Being a Spirit filled, prayerful and proactive parish, we foster Christian family life, evangelization, and the spiritual nourishment of all parishioners, both young and old. We endeavor to follow the example of St. Frances Cabrini and attend to all God's children in their temporal and spiritual needs in order to alleviate their suffering. We do all in the name of Jesus who is Lord and Savior of us all.

Our parish enjoys a rainbow of activities for all ages in Liturgy and in Service. If you wish to join or volunteer, please contact the rectory.

Stewardship

Bulletin Reflection

In today's Gospel, we hear the story about the rich man and Lazarus. The rich man cared nothing for Lazarus who was "lying at his door." When both of them died, Lazarus went to heaven and the rich man to the netherworld.

Living Stewardship
Pillar of Service

There are still many like Lazarus in our world, our nation, our state and even in our community today. What are YOU doing to care for those like Lazarus?

Sincere Thanks for All You Do for the Parish of St. Frances Cabrini

Prayer for Hope

Heavenly father, I am your humble servant, I come before you today in need of hope. There are times when I feel helpless, There are times when I feel weak. I pray for hope. I need hope for a better future. I need hope for a better life. I need hope for love and kindness. Some say that the sky is at it's darkest just before the light. I pray that this is true, for all seems dark. I need your light, Lord, in every way. I pray to be filled with your light from head to toe. To bask in your glory. To know that even though the world seems upside down, You alone can bring about light from darkness. Help me to walk in your light, and live my life in faith and glory.

In your name I pray, Amen.

MEOW-MEOW! TWEET-TWEET! BOW-WOW!

On October 4th, the Church honors St. Francis of Assisi, one of the most beloved personalities in Christian history, known especially for his joyful acceptance of radical poverty, and his delight in God's creation. In celebration of Francis' feast, we will have a *Blessing of Animals* on **Sunday, October 2nd at 2:30pm** in the parking lot behind the church. "All creatures, great and small" are welcome, with their human friends. If you do intend to bring your pet(s), please be sure they will not be able to get away from you during the brief service! This event is weather permitting.

Pet Food Drive

In conjunction with the ***Blessing of the Animals*** on October 2nd, the Catholic Daughters of the Americas (court 2438) will be holding a pet food drive. The food and supplies collected will be donated to Save A Pet, a non-profit "no-kill" animal shelter in Port Jeff Station. Save A Pet believes it is their moral responsibility to protect and improve the lives of abused, neglected and orphaned animals.

Donations may be brought to church when arriving for mass before October 2nd or to the Food Pantry behind the rectory on any Monday, Wednesday or Friday from 10 AM to 1PM. We will be presenting our donations to the owner of Save A Pet at the conclusion of the blessing on October 2nd.

Below is a copy of Save A Pet's donation list. Besides pet food and treats, there is a comprehensive list of cleaning items necessary to maintain the shelter. Gift cards for any pet or food store are also appreciated. Thank you for your generosity to the animals.

Monthly Intentions and Development for Spiritual Adoption
September

In the 7th month of spiritual adoption we pray that the parents be guided by the Holy Spirit in considering legal adoption as an option for their child, and if they so choose, that the right family will be selected for this particular child.

"I rolled over today!" Baby is six months old. The baby now can roll over inside the womb. Her oil and sweat glands are functioning. A white film layer called veniz covers the baby and protects her delicate skin from surrounding amniotic fluid. The waxy substance will be quickly absorbed into her skin soon after she is born. She now can respond to sound. Her lungs are fairly well developed and she would stand a good chance of survival if born at this time.

September 25, 2022

The greatest challenge of the day is: how to bring about a revolution of the heart, a revolution which has to start with each one of us. When we begin to take the lowest places, to wash the feet of others, to love our brothers with that burning love, that passion which led to the cross, then we can truly say, 'Now I have begun' “ Dorothy Day

Please do not leave food or any items outside of the pantry which may be ruined if left in inclement weather. We thank you for your kindness and generosity.
