Monthly Intentions and Development for Spiritual Adoption

November

In the 9th month of spiritual adoption we pray for this child's upbringing. We ask that he or she be kept safe from harm and provided for spiritually and materially, to be born and raised in a moral faith-filled environment and guided to become everything he or she was intended to be from the very beginning.

I am eight months old now. I have long fingernails. I am getting taller. I am gaining weight - that layer of fat will help keep me warm after I am born. I am looking forward to my birthday and can't wait to see my mom and dad. Thank you for your prayers for my parents and for me.

Catholic Daughters of the Americas

Court St. Frances Cabrini #2438 will hold their regular monthly meeting on Sunday, November 10th at 12:00 noon in the Parish Center. Refreshments will be served. All Ladies of the Parish are invited. Come and join us!!

Prayer for Hope

Heavenly father, I am your humble servant, I come before you today in need of hope. There are times when I feel helpless, There are times when I feel weak. I pray for hope. I need hope for a better future. I need hope for a better life. I need hope for love and kindness. Some say that the sky is at it's darkest just before the light. I pray that this is true, for all seems dark. I need your light, Lord, in every way. I pray to be filled with your light from head to toe. To bask in your glory. To know that even though the world seems upside down, You alone can bring about light from darkness. Help me to walk in your light, and live my life in faith and glory.

In your name I pray, Amen.

DIOCESE OF ROCKVILLE CENTRE
OFFICE OF THE BISHOP

September 23, 2024

Dear Brothers and Sisters in Christ,

At this year's general election, New York voters will decide whether to approve a proposed amendment to the State Constitution. Officially known as "Proposal One", the amendment would add new language to the State's version of the "Bill of Rights" that, if approved, could insert gender ideology into child and adult sports, schools, hospitals, and even our churches.

The proponents of Proposal One refer to it as the "Equal Rights Amendment" and claim that the amendment is intended to protect the right to access an abortion. Proposal One, however, does nothing to ensure "equal rights" nor does it have anything to do with the legality of abortion in New York.

Since 1938, the State Constitution has guaranteed the right to the equal protection of the laws and has barred discrimination against any individual by a public or private institution based upon "race, color, creed or religion." Now, eighty-five years after the adoption of the Constitution's prohibition on discrimination, the State Legislature has discovered that we need an "Equal Rights Amendment" that ensures a "right" to an abortion in New York.

New York's abortion laws are already among the most permissive in the nation. Proposal One does nothing to alter the abortion laws or to further liberalize them. In fact, the word "abortion" does not appear anywhere in the proposed amendment. New Yorkers who vote in favor of Proposal One because they believe it will provide additional legal guarantees related to abortion are victims of a misleading campaign that masks the true purpose of the amendment.

Voters need only to read the language set forth in Proposal One to learn its actual purpose and to discern its potential for harm. While they will find no mention of abortion, voters will discover that, if adopted, Proposal One would prohibit discrimination based upon "gender identity" or "gender expression." This language would transform the laudable and longstanding anti-discrimination article in the State Constitution into a legal weapon that would force institutions across the state—public and private, religious, and secular—to accommodate the most radical forms of gender ideology.

Under this language, for example, a CYO girls' basketball team, or a local girls' soccer club, could be forced to allow a biological male to participate on the team if he wishes to do so because of his "gender expression." To bar such a person from the team would constitute an act of illegal discrimination.

Post Office Box 9023, Rockville Centre, New York 11571-9023 • phone 516.678.5800 • fax 516.678.3138 • bishopsoffice@drvc.org

DIOCESE OF ROCKVILLE CENTRE
OFFICE OF THE BISHOP

The same language can be employed against health clubs, public and private schools, restaurants, and other public places to mandate that these institutions open their bathrooms and locker rooms to anyone, regardless of biological sex, based upon an individual's "gender identity." To restrict access to a bathroom or locker room according to biological sex would be another form of unconstitutional discrimination.

Furthermore, Proposal One would undermine the bedrock religious liberty protections that the State Constitution is supposed provide for Catholic parishes, schools, and hospitals, as well as for the religious institutions administered by other faiths. The amendment would expose a church or school to a lawsuit if, for example, it refused to hire a "transgender" catechist or dismissed an employee for the promotion of notions about gender that are antithetical to Church teaching. A teacher could demand to be called by a "preferred pronoun", as could any student, regardless of age. A refusal to adopt this sort of language regime would violate the Constitution.

Catholic hospitals that do not perform gender-related surgeries could be sued for illegal discrimination against people who wish to express their gender identity through a medical procedure.

Supporters of Proposal One dismiss these concerns as far-fetched fearmongering. Yet they cannot offer any other plausible application of the language in the amendment. Unlike proposals in other states that were designed to limit the power of a state legislature to regulate access to abortion, Proposal One never mentions abortion, nor does it expressly restrict the power of the State Legislature to pass laws related to abortion. Instead, the amendment adds a "word salad" of terms to the State Constitution that would turn the shield of anti-discrimination protection into a sword that can be used to pierce religious and secular institutions in order to impose, by force of law, a gender ideology that voters have never endorsed.

New York's Constitution has, for nearly a century, expressly prohibited discriminatory practices. Proposal One does nothing to enhance the universally accepted principle of equality before the law. Proposal One is, instead, a deceptive effort to impose an ideological agenda upon the State disguised by popular and inoffensive rhetoric about "equal rights" and by appealing to voters who believe the state's abortion laws are at risk of change. But, to paraphrase the Gospel, by its language you shall know it. The words of Proposal One reveal its true intent and the effects it would have if adopted.

New Yorkers who do not wish to see the State Constitution used to implement a harmful gender ideology that would reach into nearly every facet of ever day life, from sports to schools, from bathrooms to gyms to hospitals—even into churches, synagogues and mosques—must vote "NO" on Proposal One.

Sincerely in Christ,

+ John O. Barres

Saint Frances Cabrini Religious Education
13th Annual Sock Raising Service Project

St. Christopher's Inn, is a residential shelter and substance abuse treatment center located in Garrison New York. Fr. Dennis Polanco, S.A. is the President and Spiritual Director of the Inn and has asked us to donate a pair of new socks to the men who are homeless and have addictions for Christmas 2024

Last year we donated over 688 pairs of new socks!

Our goal this year is to donate 800 pairs of new socks to the Inn by December 5, 2024.

These new socks will be given to the men at their Christmas party. Our Parish & Religious Education children and families are being prayed for by the Friars and residents of the Inn during each morning Mass and Evening Prayer for this project.

Please help by donating one pair of new men's socks by December 1st to the Religious Education office.

If you have any question about this effort please stop and talk with Deacon Sonny or call 631-561-8545. Please take time to let you children understand that there are many people in the United States who are homeless and have substance abuse problems. Jesus calls on every one of His followers to assist those less fortunate than ourselves.

Thanks for your assistance in this effort!

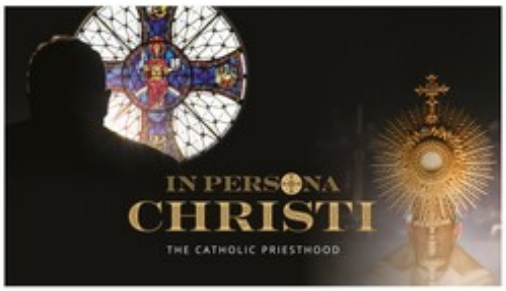
How to Win an Argument Without Losing a Soul by Matt Fradd

Whether you're arguing with family members or Facebook friends, skeptical co-workers in the office or pushy proselytizers at your front door, it helps to have not only the facts but the skills for presenting your points forcefully and well. In How to Win an Argument Without Losing a Soul, Matt Fradd equips you with the powers of argumentation you need to be an effective debater and the right attitude for doing it with charity, humility, and patience.

The Problem of Evil with Jimmy Akin

If God is all-good and all-powerful, then why is there evil? In The Problem of Evil, Jimmy Akin tackles this most difficult of apologetics questions. He builds a biblical and philosophical case for understanding how God's perfections are not disproved by the existence of evil, but in fact allow for a world in which pain and sin may be mysteriously ordered by Providence towards a greater good.



In Persona Christi: The Catholic Priesthood

The Catholic priesthood comes to us from Jesus Christ. Building on this pattern of priesthood from Old Testament times, Jesus chose twelve men to act in His place as priests of the new and everlasting covenant. This film explores the essential nature and theology of the sacred priesthood, the importance of a deep prayer life, the centrality of the Mass and Eucharistic Adoration, devotion to the Blessed Virgin, priestly fatherhood and celibacy, and the necessity of a missionary zeal.
