TO SET UP AN APPOINTMENT WITH DEACON SONNY PAGNOTTA

In the Gospel today we see how Jesus sent his Apostles out two by two. In this spirit, the Society of St. Vincent de Paul members "go out two by two" to visit those who are poor and needy in their homes. It is there, in the family setting, that Vincentians listen, offer humble advice, and render assistance.

Know that the members of the Society of St. Vincent de Paul bring your gift directly to the poor and suffering in our parish.

Out of the kindness of her heart, a woman lent her car to a dear friend, who asked to borrow it so she could visit her family in the city. Unfortunately, her friend got into an accident that caused irreparable damage. Luckily everyone was ok, but she now needed to buy another vehicle. The money she used for a down payment set her back and she fell behind on her rent. She was beyond grateful that we could help her out of her financial troubles.

Some of us know all to well that one small incident can set us back financially and reeling with worry and anxiety. Many of the people we serve live paycheck to paycheck, and even a minor illness, and the missing of a few days of work, can be devastating. Often times the neighbors we serve have no other family members or even close friends that they can call on in an emergency. We're proud to invite them into our family and call them our friends. Thank you to all our parish friends for making this possible.

Monthly Intentions and Development for Spiritual Adoption

July

In the 5th month of spiritual adoption we pray that the child's father will encourage and facilitate the mother's life-affirming choice, and be willing to act as a responsible provider.

Our baby's brain has begun maturing - a process that will continue until she is about 14 years old. Her eyelids now are sealed shut and will reopen at seven months. Her taste buds are working. Nutrients consumed by her mother are passed on to her within an hour or two. Three hundred quarts of fluid a day are sent to our baby via the umbilical cord. Fine hair begins to grow on her head, eyebrows and eyelashes. Facial expressions similar to the baby's parents can be seen at this time. This month's rapid eye movements (REM) have been recorded - a sign of dreaming. I am about six inches tall and I weigh four ounces - a proper weight for a girl my age.

SFCCT Reunion 1993-2012

Prayer for Hope

Heavenly father, I am your humble servant, I come before you today in need of hope. There are times when I feel helpless, There are times when I feel weak. I pray for hope. I need hope for a better future. I need hope for a better life. I need hope for love and kindness. Some say that the sky is at it's darkest just before the light. I pray that this is true, for all seems dark. I need your light, Lord, in every way. I pray to be filled with your light from head to toe. To bask in your glory. To know that even though the world seems upside down, You alone can bring about light from darkness. Help me to walk in your light, and live my life in faith and glory.

In your name I pray, Amen.
